

SUREFOOT

EQUINE STABILITY PROGRAM[®]

SURE FOOT ROADMAP 2023

PRACTITIONER ROADMAP

SURE FOOT Practitioners are equine professionals who have completed the training to become an Authorized SURE FOOT Equine Stability Program Practitioner.

There are four levels of Authorized SURE FOOT Practitioners. Along with the authorizations for the preceding level, each HOOF requires additional training.

Some of the key requirements for each level are listed in this document. Please note that this is not a complete list. A Demonstration of Proficiency document will be sent to applicants upon acceptance of the application.

The SURE FOOT Practitioner Roadmap outlines the process and expectations for the SURE FOOT Applicant. It includes the guidelines for 1 HOOF through 4 HOOF Levels. Upon authorization the SURE FOOT Practitioner will have access to the SURE FOOT Code of Conduct, SURE FOOT Marketing Policies and SURE FOOT Branding Assets.

The process of becoming a SURE FOOT 1 HOOF Practitioner or achieving the next level can take anywhere from 3 to 12 months. There is a limit of 12 months from the time an Applicant attends a SURE FOOT Workshop to complete the required Case Studies.

- Facilitate SURE FOOT Practitioner Workshops:
 - Two-day workshops for Equine Professionals that want to become authorized SURE FOOT 1 HOOF Practitioners or learn more about using SURE FOOT.

Evaluation and Feedback

Practitioner applicants will be evaluated at different stages of the process. During the SURE FOOT Workshops, 1 and 2 HOOF level applicants will be evaluated by the 4 HOOF Practitioner facilitating the workshop.

During the SURE FOOT Workshop, Applicants will be evaluated and given a rating from 1-4 on the following proficiencies:

- A safe environment
- Safe horsemanship practices
- Offering the Pad
- Positioning the Pad
- Picking up a hoof
- Placing the hoof on the Pad
- Allowing the horse to choose how he stands
- Moving the horse off the Pads
- Ability to observe without judgement
- Self-awareness
- Staying present

The Rating Scale used for the above is:

- 0 = Did not demonstrate
- 1 = Expectation not met
- 2 = Needs improvement
- 3 = Met expectation
- 4 = Exceeded expectation

These evaluations will be given to the SURE FOOT office and taken into consideration when the Applicant's Case Studies are being reviewed.

Each time an Applicant submits a Case Study they will receive feedback from the Practitioner Coordinator. Case Studies should be submitted one at a time, so that the Applicant can utilize the feedback given by the Practitioner Coordinator on their next submission.

The Applicant will be evaluated on the same proficiencies in their Case Studies as they were during the Workshop. (See above list)

In addition, the Practitioner Coordinator will provide any additional feedback that may help the Applicant improve their next Case Study submission.

3 and 4 HOOF Evaluation

As part of the evaluation process both 3 and 4 HOOF Level Applicants will be required to mentor lower-level Practitioners as well as review and give feedback on Case Studies. Case Studies will be sent to the Applicants by the Practitioner Coordinator.

Mentorship defined:

The purpose of mentorship is to provide the following:

1. Support the Applicant/Practitioner
 - a. Sharing experiences helps deepen one's understanding of the power of SURE FOOT
 - b. Encouragement for using SURE FOOT in practice and complete training
 - c. Advancing one's knowledge to move to the next level
2. Provide constructive feedback in the following areas:
 - a. Improving technique
 - b. Observing changes in the horse
 - c. Describing SURE FOOT to others
 - d. Guiding the mentee through all proficiency requirements in the proficiency document
3. Assist incorporating SURE FOOT into a business model in several areas:
 - a. Body Workers
 - b. Trainers/Instructors
 - c. Fitness/Rehabilitation
 - d. Veterinarian
 - e. Farrier/Trimmers
4. Topics of discussion may include:
 - a. How to talk about SURE FOOT to clients
 - b. Dealing with client questions
 - c. Video Case Studies
 - d. Ways to answer questions about using SURE FOOT in a particular situation

The goal of mentoring is to use the same principles applied to horses, applied to SURE FOOT Practitioners and Applicants: Safe, Support, Success.

2 HOOF Mentorship for becoming a 3 HOOF may be with applicants as well as 1 HOOF Practitioners. Mentee will be assigned (with her permission) to a 2 or 3 HOOF Practitioner.
